Current Comment

Well, gentle readers, we are just a week closer to Christmas than we were at this time last week. The writer is feeling much better this week, thank you, but there is still room for improvement. The big rub right now is the fact that we have not yet gone into the Christmas shopping situation very thoroughly. Our Christmas list, while not very large this year, presents some difficulties and we haven't even started to get hot.

According to local merchants, one may just about do all one's Christmas shopping in Campbell. That is what they are whispering up and down the street, anyway, and we believe that there is a good bit of truth in the assertion, although one would never suspect it from looking at the advertising columns of the *Press*. There are, however, a couple of ads in this issue from which you can get some very good ideas on what the family would like to find in its stockings Christmas morning.

May we suggest the advisability of trading at home wherever possible? Money spent here circulates around the home town and really does considerable good. On the other hand, money spent in San Jose—or any town other than Campbell—means nothing minus insofar as its economic value to Campbell is concerned.

Everything indicates the astuteness of trading at home. Here we have large, well-stocked stores, plenty of parking space, and all the time in the world. Why "go to town" when you can spend your money just as fast in Campbell? We ask you.

We know what it means to the business men to see valuable trade going past their front doors on the way to town to spend the money that rightfully belongs in Campbell. No kidding. We have just seen the high school annual printing job (Oriole; student yearbook) hurtling past on its way to San Jose.

Here is what we are inclined to regard as a regrettable situation. The Campbell Press is well equipped and well manned to handle the job; we support the high school, students and faculty from one year to another; we give to the school's various plays, concerts, etc., column after column of publicity during the course of a year; we have repeatedly gone to the bat on the new building proposition, and all all times stand ready to aid any worthwhile project launched by either students or faculty of the institution. But when the 'annual" is printed the *Press* is passed up like the Twentieth Century Limited passes up Hickville Corners. Yes indeed —we know what a couple hundred dollars looks like all dressed up and on its way to town!

The Oriole is supported by many local business men who are interested in seeing money spent at home. In this case considerable of their own money is involved—at so much per page of advertising. And that's all fair enough, but we believe the merchants should have a chance to get some of it back, as they would were the job being done at home as it should be. Everyone who buys printing is familiar with the fact that we take off our hats to no one in the business and, further, that our prices defy comparison—quality equal, of course.

There is no good reason in the world why the *Campbell Press* should not be printing the high school annual. What do *you* think?

That's all.

W. CLYDE SNOW KIDNAPPED BY DARING BANDIT

Thursday afternoon W. Clyde Snow was forced to drive a bandit to Los Angeles and after obliging was robbed of his bank roll and car and left in the town, penniless and over 400 miles from his wife and family, who were waiting anxiously for word from him. Friday, E,arl E. Snow brother, who lives in San Jose, received a phone call from Snow telling the details of the kidnapping, but due to the connection being broken, was unable to tell his location so assistance could be sent from relatives in San Jose and Campbell.

Clyde Snow brought his wife and family here several days ago from Santa Rosa and at the time of the kidnapping, was hunting work in his profession, millwork. The brother, in San Jose and cousin Ernest Snow of Campbell will provide for the family until Mr. Snow has recovered his car in Los Angeles and can return.

CAMPBELL NINE TAKES MADRONE 3-1 IN FAST GAME

Campbell returned the favor to Madrone, Sunday by beating them 3 to 1 in a fast game. Many games previous to this one, Madrone gave Campbell a beating which decided to some extent, the championship in this valley league. Campbell retaliated in the game Sunday.

Anthenour, pitcher for Campbell, allowed four hits in the entire game and it wasn't until the eighth inning that Madrone could score, and then because of an error.

TELEPHONE CO. REPORTS MUCH RECENT ACTIVITY

More telephones have been installed and more disconnected in the first nine months of 1930 on the Pacific Coast than in any similar period of any previous year in history.

The total turnover in 1930 for the first nine months was 884,221, as against 792,140 in 1929; 689,172 in 1928; 513 in 1927 and 590,896 in 1926. Based on the figures for these three quarters, the turnover in the year 1930 will approach 1,200,000 as compared with an actual total of 1,073,347 in 1929.

Commenting on tthis fact, Miss Mattie Curran, local manager for the Pacific Telephone and Telegraph company, points out that this record turnover reveals a greater shifting of population in the present year than in any previous time. The company has therefore been compelled to expend a greater amount of money and labor to make its net gain in new telephones this year than in any other year. Up to Sept. 30 it connected and disconnected, and moved 900,000 telephones, or nearly 30 for every one gained.

FINE PROGRAM IS TO BE HELD AT LOCAL CHURCH

Sunday Dec. 14 begining at 6 p. m. radio arrangements will be so tthat friends can listen to the Atwater Kent Audition and hear Stephen Merrill sing in the finals in New York. Light refreshments will be served.

At 7:45 p. m. a Scout Court of Honor will be held at which the newly organized Cubs will receive their first awards. This No. 1 Cub pack of Santa Clara district, will be the first to receive their badges in this scouting area. The Scouts will also receive honors. The Sea Scouts, rating first on the Pacific coast and second in the United States will take part in the proceedings, giving a demonstration of their craft.

Rev. J. H. Bennett will preside over the entire meeting and lead the Court of Honor. An important speaker of the evening will be Rev. A. S. Buell of the Methodist Church. Harrison White, scout executive will give the scouts a farewell message before leaving for Orange County.

All parents and friends of the Cubs, Scouts and Sea Scouts are cordially invited to attend the Court of Honor.

LOCAL STUDENTS TO STOCK JUDGING CONTEST IN L. A.

Thursday evening four students of the Campbell Union High School left for Los Angeles to take part in a state wide agricultural stock judging contest to be held in the stockyards in that city soon.

These students are Stanley Silva, William Halley, Joseph Ruscigno and Byron Smith, representing a class of forty in the high school. Murrary Pryor of the high school faculty accompanied them on their trip.

In the stock judging contest of previous years, the Campbell contestants have always rated highly in their work, winning first places in several departments.

Campbell is one of the few high schools in the valley that have taken up the Smith-Hughes course in animal husbandry. The agricultural department of the local high school is directed by C. E. York with Mr. Pryor as cadet teaching animal husbandry.

METHODIST EPISCOPAL CHURCH

The young people of the Epworth League will have a social hour on Sunday evening, December 14, at 5:30 and radio equipment will be installed to listen in on the Atwater Kent audition, with Stephen Merrill singing in New York City. After the program, everyone is invited to attend the united Scout meeting to be held at the Congregational Church. There will be no church services at the Methodist Church on Sunday night.

The annual stocking filling and entertainment of the Sunday school will be held on Tuesday evening, December 16 at 7:30. The date for the Christmas tree and program has been set for Tuesday evening, Dec. 23.

COMMITTEES ARE APPOINTED FOR ANNUAL CC FEED

The Campbell Chamber of Commerce held their meeting at the community hall last evening and appointed committees to work out and plan the annual banquet to be held sometime in January and also for the annual "Old Settlers' Day" celebration, Feb. 22.

The meeting was presided over by president, T. A. Cutting who announced that the Santa Clara County Consolidated chambers of commerce would meet in conjuction with the Kiwanis club Tuesday noon, January 6, in Campbell.

The following committees were named by Cutting; program for annual banquet, H. M. Shadle, W. I. Merrill, C. H. Whitman; Committee on arrangements, A. J. Robins, S. N. Hedegard and Dr. J. E. Fanning. Old Settlers' Day morning program, Mrs. S. N. Hedegard, C. H. Whitman; afternoon program, H. C. Smith, George Robson, Mrs. H. M. Shadle; athletic program, R. E. Noddin, and N. O. Best.

Several proposed plans were discussed and committees appointed.

FUNERAL SERVICES MONDAY FOR MRS. ELLEN I. KELL

Funeral services were held Monday for one of the first Campbell settlers, Mrs. Ellen Isabelle Kell, who died Saturday after a very short illness.

Mrs. Kell was brought to Campbell from Illinois by her parents Mr. and Mrs. Elijah Givens in the earlyfifties. In 1869 she became the wife of John J. Kell, who passed away in 1909.

Those who mourn her passing are her six daughters Mary Myatt of aSnta Cruz; Julia Juarez of Clear Lake, Hel enGrigsby of Napa, Grace Pearch of Redwood City and Teresa Kell of San. Jose.

Services were held from the W. B. Ward parlors and low mass was said at the St. Leo's church and interment was made at Santa Clara.

DAN YEAGER TO GET XMAS HELP

Rural Carrier Dan Yeager will have a substitute carrier, Chauncey H. Watson, in assistance Dec. 22, 23 and 24. The schedule for mailing will appear in next issue of the Press. The same rule used in prior years applies for the Christmas seals this year. There should be no seals on front or mailing side of any mail matter.

Be sure to wrap parcels securely in white paper and tie well; also your return card must be on the parcel as well as the out going address. Because of the quantity of packages going through the mails at Christmas time, all carriers urge the use of strong paper and stout twine.

INFORMATION ON THE NATIONAL RADIO AUDITION

Then young singers will meet in New York Sunday evening, Dec. 14 to compete in the grand finals of the Fourth National Radio Audition, sponsored by the Atwater Kent Foundation of Philadephia. They are: from the North Eastern district, Paula J. Phoenix, Oakhurst N. J., sonrano, age 24; and Raoul E. Nadeau, New York City, 22; from the "Dixie" district, Mary G. Cortner, New Orleans, Soprano, 22 and W. Eugene Loper, Jackson, Miss., baritone, 24; Midwest district, Carol Deis, Dayton, Ohio, soprano, 25 and Richard W. Dennis, Siouz Falls. S. D. tenor, 19; South Western district, Joyce Allmand, Dallas, contralto, 21 and Rose Graham, Hot Springs, Ark. bass-baritone, 25; Far West district, Esther B. Combs, Long Beach, soprano, 22 and Stephen F. Merrill Campbell, tenor, 20.

The voices of these contestants will be heard during the Atwater Kent hour from 6:15 to 7:15 Pacific Standard time, by listening millions from coast to coast over a net work of stations of the National Broadcasting Company.

The grand finals will be judged by a board of distinguished vocal authorities chosen by the National Sponsorship committee which consists of Pres. Glenn Frank of the Universty of Wisconsin; Mme. Ernestine Schumann-Heink, Mme. Louise Homer, Mrs. Otto Kahn, Mrs. Elmer Ottaway, Charles Wakefield Cadman and Reinald Werrenrath.

Awards to the national finalists will be made in the order of merit and will be announced immediately after eth contest.

These awards, alike to the young man and young woman in each of the five classes will be as follows;

First $5,000 cash—2 year music scholarship and gold decoration.

2nd $3,000 cash—1 year music scholarship.

3rd $2,000 cash—1 year music scholarship.

4th $1,500 cash—1 year music scholarship.

5th $1,000 cash—1 year music scholarship.

The far west representative Stephen Merrill on this program is at present in Washington at the Mayflower hotel. He, accompanied by his father left Saturday for Washington D. C.

GRANGE TO ELECT OFFICERS TONIGHT

A regular meeting of the Orchard City Grange will be held this evening in the Odd Fellows hall with worthy master, S. N. Hedegard, presiding.

The election of offiers to serve for the new term will take place this evening. Jessie McChesney is in charge of the lecture hour. Mrs. Herbert Shadle will entertain with vocal solos. Fancy work and other handicraft will be on display at this meeting, the articles being brought by the members of the Grange.

THE SPORT FORUM

By DICK LYNDEN

Dusk gathered over the Coliseum last Saturday to mutely witness the hailing of the world's greatest football team. Clinkers and ashes littered the field. The Trojan wall, vaunted the strongest of all time, had been pulverized, demolished, and with it crumbled the pride and wisdom of countless prophetic sages (verily). Notre Dame , the "ne plus ultra" in football, reached journey's end, completing a suicide schedule without defeat, attained the loftiest of goals, national supremacy, and trounced U. S. C. to score the most smashing, impressive victory of the season. And the dun of dusk was welcome.

The primacy of Notre Dame is now unquestionable. Had U. S. C. been victorious, the titular honor could have been rightly disputed by Washington State, or even if thte contest had been close, but conton State, or even if the concarnage precludes any possibility of such claims having weight. The Dickinson rating system, of considerable authority, conferred the title upon Notre Dame, placed Washington State second, U. S. C. sixth and Stanford seventh. The Rissman trophy, awarded on the Dickinson rating, became the permanent possession of the Ramblers since they have won the national title three times within a decade.

Just six minutes of play had elapsed when Schwartz faded and shot a 19 yard pass to Carideo for the opening touchdown. This was merely a prelude to the slaughter forthcoming. Bucky O'Connor prozy for Savoldi when Mullins was injured, took the ball on his own 20-yard line and romped to a score before the period terminated. In the second quarter Rockne played his reserves, and no touchdowns were put over but shortly after the respite O' Connor tallied again on a lateral pass play, and in the final period Lukats, a hooked-nosed sub, circled end for thirteen yards and a touchdown.

Orv Mohler and Marsh Duffield, the two boys who measured the lot so many times against Stanford, were smothered hard often, and both were fortunate in leaving the game with their suits on. Duffield's attempts to pack the pellet were pitiful, but he chucked a couple of passes for fair gains and in this had it over Mohler whose aerial efforts usually connected with Notre Dame receivers.

The Colgate-New York University charity carnival, highly carnival, exploited in Eastern newspapers, fizzled grandly and a measly crowd of 15,000 witnessed the contest in which Colgate contrived to win 7-6 after New York U. marched sixty-nine yards to a touchdown in the last two minutes of play only to have the conversion blocked. The Army-Navy charity show sponsors are now begin-

CAMPBELL'S STATE OF MIND

Indifference on the part of the people in governmental affairs leads to inefficient, uneconomical and ineffective govenment. It is the people who must give impetus and guidance to honest government.

This has been adequately and effectively demonstrated in Chicao. The citizenship of Chicago, according to Dr. Herbert D. Simpson of Northwestern University, is characterized by a low level of political intelligence, it places a low vauation on political honesty and integrity, it is steeped in the chronic indifference that comes with prosperity and it habitually evades its civic obligations. It is not surprising that a government dependent upon such a citizenry has experienced failure.

The people of Campbell and of all governmental units must guard against the growth of any of these characteristics. Government will not continue to function successfully if the people who support it do not give it their high minded and intelligent guidance. If prosperity is to continue, good government demands consideration of its problems by all citizens.

We must all be on guard against the state of public mind which has so long prevailed in Chicago.

Ladies Hear Kathleen Norris Speak At P. T. A. District Meeting

Mrs. R. E. Stubbe, accompanied by Mrs. C. H. Whitman, Mrs. A. D. Rice, Mrs. J. W. Knowles, Mrs. W. I. Merrill and Mrs. T. A. Robinson, attended the sixth district meeting of the P. T. A. at Palo Alto Monday. The chief speaker was Kathleen Norris.

Mrs. Norris spoke for an hour and a half, but so interesing wts her message that her audience failed to regard the passing of time. She spoke of the main problems of the parents of today in comparison to those of many years ago. She spoke of the effect of immigration on the rising generation and the part women must play in peace.

Mrs. Norris has been invited to speak in Campbell, and she has accepted. She will appear here at a public meeting sometime in the spring.

U. C. Clinic Helps Keep State Health Good At Low Cost

During the year 1930-31, the University of California Hospital and Medical School staffs, by devoting part or all of their time to needy sick in the out-patient department, a Community Chest agency, gave service to the public of California that would have cost about $783,000 had it been able to pay these rates. This does not include the hospital care which was offered by the university.

Announcement of these figures was made today by Dean Langley Porter of tthe Medical School. During the year there were a total of 156,031 consulations and treatments given, or an average of more than 13,000 per month.

Dean Porter states that every applicant for treatment at the out-patient department is questioned and only those unable to pay for treatment at the hands of private physicians are admitted. The work is done by a staff of 168 doctors and surgeons, 10 interns, 15 nurses and 50 clerks, secretaries and assistants, in conjunction with the operation of the Medical School and Hospital.

MAGAZINE IS PAL OF BOYS

Those boyhood years between the ages of ten and twenty are the impressionable years—the formative years when the fundamental character of a boy is molded into the pattern it will maintain throughout the mainder of his life.

That is why so much importance is placed on the factors that govern the lives of adolescent boys—their companions, their environment, their reading, the food they eat, etc. At this age is determined whether the boy will develop into a cheerful or surly man, generous or selfish, intelligent or dull, ambitious or indolent.

School teachers, librarians, Scout leaders and others engaged in boy activities have found that THE AMERICAN BOY—YOUTH'S COMPANION magazine is one of the most favorable influences a boy between ten and twenty can have. Its stories and articles are a force for good—wholesome, alive inspring.

The million or so boys who read this magazine every month consider it their closest friend. In it they find the keenest entertainment, adventure, mystery, athletics aviation, humor, everything that delights a livewire American boy. Its sports articles by famous coaches and athletes help boys win places on their school teams. Its professional articles and biographical sketches aid them in selecting ttheir life's work. Its keenly analytical editorials guide them in their daily problems.

That boy or young man in whom you are interested would have a world of pleasure reading THE AMERICAN BOY—YOUTH'S COMPANION.

Make a subscription to this magazine your gift to him. Subscription prices are only $2.00 for one year or $3.00 for three years. Mail your order direct to THE AMERICAN BOY—YOUTH'S COMPANION, 550 W. Lafayette Blvd., Detroit, Michigan.

KIWANIANS

Campbell Kiwanians got their first lesson in "policing" today when Prof. Geo. H. Brereton, former member of the U. C. faculty and now in charge of the state college of police instruction, gave a talk on his work. The idea is not a new one in the world but is new in this country. The education of police in theory and practice will ultimately remove this branch of our government from tthe hands of politicians and racketeers and raise the standards of that officialdom both individually and in the minds of the public. Educated men are required more and more in every walk of life and this movement is in keeping with the trend of the times.

It is not a far step to the time when a partial college education at least will be required of police applicants in many cities.

As courtesy becomes one of the requirements, the star and uniform will cease to stamp one as a hard-boiled ward boss.

Jerome Pope and the Misses Harris furnished the diners with several musical numbers and Fred Bryan presided at the piano during the club singing.

Mark Purmort, chairman, was much pleased to hear that the police of the future will treat him with more courtesy than in the past.

Elmer D. Jensen will speak next Tuesday on "National Defense." H. C. Smith will be chairman.

Baum's California Chocolate Cream in one pound boxes—49 cents at Shadle's.

Mr. and Mrs. W. H. Morgan, Jr., were business visitors in San Francisco Monday.

Subscriptions taken for all magazines at publishers prices at Shadle's.

Nettie May Ice Cream Wins Prize at Pacific Dairy Show

ALSO GETS HIGHEST SCORE FOR STATE OF CALIFORNIA AT PACIFIC INTERNATIONAL DAIRY SHOW, HELD IN PORTLAND, ORE.

The Nettie May Ice Cream Company, whose head office is at 2941 Broadway, Oakland, has a record of winning two silver medals during one week.

At the Pacific International Dairy Products Show held in Portland, Oregon, there was ice cream from the leading manufacturers of four or five cities of tthe Western States.

"Nettie May" ice cream received the highest score for California. At the Pacific Slope Dairy Show held at Oakland in November, "Nettie May" ice cream received the highest score in Northern California and the silver medal for the State of California. Most of the leading manufacturers of ice cream in the state entered this contest. There was also ice cream from Oregon, Nevada and Arizona.

It is a compliment to the Oakland Health Department and State Inspectors, who have direct supervision over the milk and cream, to have an Oakland firm attain such a high score. The ice cream not only had a very low bacteria count but attained perfect score for flavor and texture. This shows that the consuming public is getting good ice cream and that the milk and cream shipped into Oakland is carefully guarded by the State Inspectors and the Oakland Board of Health.

The Dairy Show inspectors proved that all the ice cream sold in the East Bay is of the highest qukality and it is very gratifying to know that Nettie May Ice Cream Company heads the list.

F. E. Miller, vice-president, general manager, states that it is nothing new for him and his firm to win the prize at the Dairy Show as several times before his firm has either received first, second or third prize of all the ice cream in the state. He stated further that this was no special cream made up for competition but the same ice cream served to the University of California and other discriminating customers.

Nettie May Ice Cream Company has had a wonderful growth this year and the heavy increase in gallonage and new customers doubtless shaws that the discriminating dealers appreciate a good ice cream. Mr. Robins ,of the Rainbow Fountain, believes in giving the public a good article and that "Nettie May" ice cream will become increasingly popular at his fountain in Campbell. Adv.

School Notes

Campbell basketball teams suffered a double defeat from Palo Alto Friday night.

Local hoopsters clash with San Jose here next Wednesday night. A good game is looked forward to.

The recent girls' jinks was a huge success. A big crowd was present and everyone had an enjoyable time. The program consisted of several tap dancing numbers, songs, a Christmas tree, and the faculty added greatly to the success of the evening with a Floridora dance. A skit was put on and refreshments were served. The gym was decorated in Christmas colors with wreaths to add to the spirit of the evening.

A group of Campbell High band members will play for the Grange meeting Friday evening. Mr. Thielke is always on the job with good entertainment.

The senior play is coming along fine. Practices will continue through vacation.

At the last meeting of the Oriole staff the colors of the book were discussed.

Last Tuesday the student body enjoyed a talk by Professor Hulme of Stanford on "Medieval Cities." Miss Esther Sorinson introduced the speaker.

Agricultural Engineers To Hold Meeting

The annual winter meeting of thte American Society of Agricultural Engineers, Pacific Coast, Section, will be held in San Francisco January 6 and 7, according to announcement of W. W. Weir of thte University of California division of irrigation investigations and practice, who has charge of the program. The sessions will be held in the Whitcomb Hotel.

Among the speakers who are to appear on thte two-day program are B. B. Meek, director of the California State Department of Public Works; George W. Malone, state engineer of Nevada and member of President Hoover's committtee on convervation and administration of public domain; M. A. Schnurr, assistant to Dr. Elwood Mead, commissioner of reclamation; Lewis A. Jones, senior drainage engineer in charge of soil erorsion, of the United States Department of Agriculture, and John W. Hay, director of the agricultural development department of the Northern Pacific Railway.

The meeting is in charge of the reclamation section, and will be given over largely to discussions of reclamation problems. At the banquet session on thte first day's program, Prof. Charles F. Shaw of the University of California will speak on "Reclamation in China."

One of our unmarried friends was cruel enough to say, the other day, that paying the bachelor's tax is just like buying accident insurance.

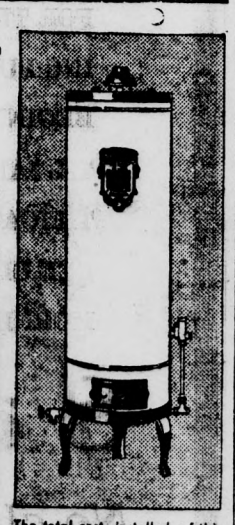
Instant hot water on time

As little as three dimes a day, paid monthly for a few months, buys the comfort and time-saving of instant automatic hot water. For year after year, you continue to enjoy this comfort.

10% DOWN balance monthly

Why not let us call and tell you about the Crane Budget Plan? You can have any plumbing and heating improvement . . . and pay nothing until it is installed. Then pay only 10% down, balance monthly.



The total cost, installed, of this Keystone Automatic Gas Water Heater is surprisingly low. Let us install it for only 10% down, the rest monthly.

SPORT FORUM

(Continued from Page 1)

ning to have grave misgivings as to the sale of the middle priced ducats for next week's engagement.

Since the author has not seen all of the coast teams in action it would be futile for him to attempt choosing an All Coast team. He has, however, hit upon the happy idea of selecting a team composed of the best men he has seen in action this year in the following games: U. S. C.- Stanford; Santa Clara-Stanford; Oregon State-Stanford; Cal-Stanford; Washington-Stanford and Cal-St. Mary's. They are:

ENDS
Arbelbide—S. S. C.
Ebding—St. Mary's

TACKLES
Hall—U. S. C.
Erhorn—Stanford

GUARDS
Beckett—Cal.
Lappenbush—Wash.

CENTER
Tassi—Santa Clara

QUARTERBACK
Hillman—Stanford

HALVES
Pinckert—U. S. C.
Moffatt—Stanford

FULLBACK
Rothert—Stanford

Americans are not in favor of the cancellation of the European debts but they would like to see a moratorium declared on the wet and dry arguments.

If you want to assist in restoring prosperity to the country, now is the time to go buy-buy.

Sunday Dinner

Every Sunday from now to New Years we are serving the following dinner for

FIFTY CENTS

Turkey Gilblets—Rice Soup
Lettuce Salad
Roast Turkey with Dressing and
Cramberry Sauce
Green Peas
Bread and Butter

This dinner will also be available on New Years Day, but **WE WILL BE CLOSED ALL DAY CHRISTMAS!**

The Busy Bee

Here is a Mystery

Why is it that so many men spend their lifetime building an estate for the benefit of their family and yet will not spend just an hour protecting it?

How many times have we seen property passed to heirs without direction of a will and within a short time the efforts of years of hard work, careful planning and self-sacrifice—scattered—wasted—lost?

Yet, it is easy to protect your estate. Our booklet, "Safeguarding Your Family's Future" will tell you how. It explains in an interesting and understandable way the making of wills and the uses of trusts.

Call, phone or write for your copy.
